

"The Protectors"

Shawnee Police/Fire Memorial Fund

Chairman Joseph J. Magyar • 631-3866

Dear Public Safety Supporter:

The purpose of this letter is to give our citizens and friends the opportunity to support a "Shawnee Police/Fire Memorial." The Memorial will be a bronze sculpture entitled "The Protectors" and will honor those who have made the ultimate sacrifice in the line of duty and be a reminder to the living. The plaque on the sculpture will include the name of Donald B. Gamblin, Jr., a Shawnee Police Officer killed in the line of duty in 1991.

The statue will be placed in front of the Public Safety Center at 65th Street & Quivira Road. This will be one of the first such joint memorials in the State of Kansas, and will send a message that a safe and peaceful community is the primary goal of our Public Safety people.

Your contribution will be greatly appreciated. There will be no additional follow-up for your donation. We are depending upon your generosity and prompt response to help us meet our goal of \$32,000 to construct the Memorial.

Thank you for demonstrating your support for our Police and Fire personnel who risk so much for our safety.

Sincerely,
THE COMMITTEE:

Joseph J. Magyar

*"The
Protectors"*

Police/Fire Memorial

The memorial, which portrays a fire fighter holding a child and a police officer holding the hand of a child, will honor those who have made the ultimate sacrifice in the line of duty and be a reminder to the living.

"THE PROTECTORS" will be placed in front of the Public Safety Center, between the Police and Fire Departments, at 65th Street and Quivira Road.

This will be one of the first joint memorials in the State of Kansas, and will send a message that a safe and peaceful community is the primary goal of Shawnee's Public Safety organizations.

This memorial will be built and maintained from contributions of people in the community.

If you appreciate the ultimate sacrifice in the line of duty of our "Protectors" you may wish to donate toward the "Police/Fire Memorial."

Any donation, large or small, is greatly appreciated. The first ten individual benefactors of \$1,000.00 or more will be honored with a miniature replica of the bronze sculpture (desk type) as a souvenir.

SEEKING SHRUBBERY — Shawnee Police/Fire Memorial fund-raising chairman Joseph Magyar and Phil Weide of Gray Brothers put the finishing touches on the plaques that arrived for the memorial on Wednesday. Magyar plans to dedicate the memorial on March 30. He also says the memorial is in need of some volunteer landscaping.
