SAMPLE

We are attempting to acquire funding for a status which will be placed at the front entrance of the new West Des Moines Law Enforcement Center. While this is an ambitious project, we feel that it is one that will present a positive image of our new facility and will convey a message that our department is a caring and compassionate one.

The status we have decided upon is called "The Protector". The sculptor is Roger M. Brodin from Minneapolis, Minnesota and we have enclosed a photocopy of the status with this letter for your review.

In order to properly recognize contributors, we are providing a six inch miniature for each contribution of \$1,000 or more. It is also anticipated that contributors of \$500 or more will be recognized on a bronze plaque which will be placed in the display case within the lobby of our new facility.

Should you care to meet with us to examine the model that we currently have, please feel free to contact us and we will be glad to meet with you at your convenience.

Your past assistance has been invaluable to us in the procurement of our Crime Prevention Van and Aeries Robot. We hope that you will find it within your ability to assist us with this project. Thank you.

Sincerely,

Frederick V. Carson

THE WEST DES MOINES POLICE DEPARTMENT REQUESTED AND RECEIVED PERMISSION FROM D.A.R.E. AMERICA, INC., TO USE THE "D.A.R.E. LOGO" T-SHIRT ON THE LITTLE BOY IN THEIR "PROTECTOR" SCULPTURE. THIS OPTION OFFERS A PERMANENT VISIBLE REMINDER OF A DEPARTMENT'S DEDICATION TO THE PROGRAM'S MESSAGE AND DEMONSTRATES THE POTENTIAL EDUCATIONAL USES OF WORKS OF ART - THE "PROTECTOR" SCULPTURE IN PARTICULAR.
